

Complete this form if you are claiming an Ontario focused flow-through share tax credit on Form ON479, *Ontario Credits*.

You must be a resident of Ontario on December 31 of the year to claim this credit.

Any credit claimed in a tax year will reduce the balance of your Cumulative Canadian Exploration Expense (CCEE) pool in the year following the credit claim. If the pool balance is negative after this deduction, the negative amount must be reported as income on line 130 of your return.

If you are filing electronically, keep all of your documents in case we ask to see them at a later date. **Attach a copy of this form to your paper return.** Also attach the credit certification documents (Slip T101, *Statement of Resource Expenses*, or T5013, *Statement of Partnership Income*, you received from a mining exploration corporation that incurred qualifying expenses in Ontario).
