

Complete this form to calculate your Manitoba employee share purchase tax credit. You can claim this credit if you received an employee share ownership plan (ESOP) receipt.

The first \$27,000 of credits you earned in the year are refundable. Any unused amount can be claimed as a non-refundable tax credit in the year, or can be carried forward for ten years or carried back for three years. The unused amount will be shown on your most recent notice of assessment or notice of reassessment. If you want to apply the unused amount to a previous year, send an adjustment request to the CRA.

If you are filing online, keep all your documents in case we ask to see them at a later date. **If you are filing a paper return, attach this form and your ESOP receipt(s).**
